

## Manchester Courses Dates and fees 2018-2019

### Courses for individuals

Do you struggle to be heard or want to improve your presenting skills? We're running one-day and two-day courses at HOME in Manchester to develop your skills set. Grow your confidence and make your impact.

### Presenting Made Brilliant

Duration **1 day**

Cost **£650 + VAT** Enjoy a 15% discount by booking this course alongside Storytelling for Business

Dates **17 Oct 2018, 13 Feb 2019**

We will teach you how to build a confident and credible presence in highly pressured environments, how to open and close presentations convincingly, and how to leave your audience with a message that resonates.

### Personal Impact

Duration **1 day**

Cost **£650 + VAT**

Dates **8 Nov 2018, 30 Jan 2019, 27 Feb 2019**

You will be introduced to the fundamental tools of our communication - the body, breath and voice - to equip you with the skills to engage others with greater confidence.

### Storytelling for Business

Duration **1 day**

Cost **£650 + VAT** Enjoy a 15% discount by booking this course alongside Presenting Made Brilliant

Dates **20 Nov 2018, 4 Feb 2019**

Storytelling for Business explores the fundamental skills of communication and develops an understanding of how we can apply this essential human characteristic in a corporate setting.

### Impact and Influence for Women

Duration **2 days**

Cost **£1,850 + VAT**

Dates **5-6 Dec 2018**

By exploring the power of your physicality, voice and language, you will gain skills to come across with authority and credibility as a woman in the workplace, and to build resilience and effectiveness.

### Personal Impact in Meetings

Duration **2 days**

Cost **£1,300 + VAT**

Dates **13-14 Mar 2019**

Personal Impact in Meetings is a practical course that will increase your confidence and give you greater impact and influence, whether you want to impress in one-to-one conversations or in the boardroom.

### Consultancy

Every organisation and individual has unique and varied needs. We create truly transformative learning experiences based around your objectives and type of business. Training can take place at HOME in Manchester or your company's premises.
